TIME: Check in - 9am, First car out: 9:30

RALLY TYPE: Gimmick

For our first rally we are keeping it simple. You will be given turn by turn directions along with the questions upon check in. The questions will be in the form of a riddle and based on objects along the route. Some of them will be harder than others and worth more points, plus you can answer a bonus question and a couple of tie breaker questions to help increase your chances of winning.

We are meeting at Musante Motorsports in South Windsor where we will have some coffee, doughnuts, and other goodies awaiting you. The drive should take between 1:45 to 2 hours and prizes will be awarded at the luncheon to the top three winners.

There are a limited number of slots open for the event (30 cars or 60 people) so sign up fast! Rather than have the lag time on the mail, to register simply email or call me at [cvrrally@me.com](mailto:cvrally@me.com) or 860-319-3360.

See you there!
